Examinations consisting of several parts can only be passed if all subjects receive a pass grade.

Final examinations and diploma examinations including more than one subject receive an additional comprehensive assessment. This can be „BESTANDEN“ (pass) if all parts are positive and „NICHT BESTANDEN“ (fail).

The comprehensive assessment will be graded „MIT AUSZEICHNUNG BESTANDEN“ (pass with distinction), when there are no subjects with a grade inferior than „GUT“ (good) and at least half of the subjects are „SEHR GUT“ (excellent).

(6) ECTS grading scale:

B	25	VERY GOOD - above the average standard but with some errors
C	30	GOOD - generally sound work with a number of notable errors
D	25	SATISFACTORY - fair but with significant shortcomings
E	10	SUFFICIENT - performance meets the minimum criteria
