

Titel	The East Asian Mediterranean - Team 3 of The Indian Ocean World: The Making of the First Global Economy in the Context of Human-Environment Interaction.
Zeitraum	01.03.2009 - 01.03.2016
LeiterIn	Univ.-Prof.Dr. Angela Schottenhammer
Projektbeschreibung	This team researches general themes with regard to the 'East Asian Mediterranean' focusing on three aspects of human-environment interaction: (i) East Asian nation states or 'territorial' areas versus the East Asian world, (ii) the nature of exchange relations in the Asian world with a particular emphasis on the roles played by the official Chinese state and private Chinese and foreign merchants trading in the East Asian world, and (iii) the extent of military/political or religious influence on the development of early maritime trade.
Methode	Comparative Historical Analyses
