	strongly agree	agree	would not argue either for or against	do not agree	strongly disagree
Europe should unite to protect itself from speculative markets even if that means that countries like mine have to make economic sacrifices.	1	2	3	4	5
Europe has to cooperate to resolve the economic crisis but it has to be the large powers and those economically richer who have to bear the costs.	1	2	3	4	5
Europe cannot really work together to resolve the economic crisis because decisions are made by a few politicians representing large powers without consulting the people of Europe.	1	2	3	4	5
The ultimate goal used to be close cooperation within the EU, but now countries like mine should rather try and manage on their own.	1	2	3	4	5
It was the economic crisis that made it clear for me that the EU was a big mistake ever since the beginning and my country should have never joined.	1	2	3	4	5
