

Distance and hygiene measures in library areas

Strict compliance with the following measures:

- **Access only possible with valid Uni-Salzburg-Card (students) or valid library card.**
- **To enable consistent contact management in the event of an infection, visitors must borrow a library basket return it when leaving the library.** The reservation of workstations is currently not available.
- **Visitors must wear a nose and mouth covering in the library building.** This can be removed when **seated at a desk.**
- Please follow the disinfection instructions provided next to all **book scanners, PC workstations and Uniflow devices.**
- Please **disinfect your workstation** before use with products available at the "disinfection stations".
- For **hand disinfection**, please use the disinfection stand in the entrance area or the dispensers in the toilet facilities.
- Visitors must maintain the **safety distance of at least 1.5 metres** in all areas of the library.
- It is **not permitted to move seating around.**
- The **lift** must only be used by **one person** at a time.
- The **cloakrooms will remain closed** until further notice. For the time being, visitors may take bags and jackets/coats into the library.
